Operated buses in the city and campus routes, collecting fares, and providing customer service.

Strong Minds Rising Together

Research Analyst

Remote

June 2014 – December 2016

Conducted analysis of existing academic literature in order to generate a literature review to aid with future research questions on GED and educational outcomes, managed survey system deployment for the research and innovation program, and generated a series of white papers to introduce members to key concepts in statistics.

Extracurricular Experience

Periódico Digital Puertorriqueño La Nación

Editor-in-Chief

Puerto Rico

August 2009 – December 2013

La Nación was a non-institutional student journalism blog in Puerto Rico that provided comprehensive news coverage and insightful analysis focused on political issues related to the University of Puerto Rico, student life, as well as culture, sports, and international events. Although it has since ceased operations, it left a lasting impact on Puerto Rican journalism.

- Oversaw the editorial direction, content development, and journalistic quality of the publication. Coordinated and managed a team of journalists and contributors to produce timely and engaging news articles. Several went to become journalists at renowned and well-established spaces such as *El Nuevo Día* and *Noticel*.
- In addition to my responsibilities as Editor-in-Chief, I also actively engaged in journalistic work, which included conducting interviews, providing live minute-by-minute coverage of events, and video editing.

Academic Senate – University of Puerto Rico, Río Piedras Campus **San Juan, PR**
Academic Senator *August 2010 – July 2012*

Chairperson of Student Caucus and Student Affairs Committee. Member of several permanent and ad hoc committees: Under my leadership, the Academic Senate (where faculty, administration, and students create most campus policies) saw an engaged student representation, leading to the approval of several measures that improved graduate and undergraduate student academic life experience, like an updated graduate academic policy and better communications between the student body and the administration.

University of Puerto Rico, Río Piedras Campus **San Juan, PR**
General Student Council member (several positions) *September 2008 – July 2012*

The General Student Council (GSC) represents students from all the Colleges and Schools of the Río Piedras Campus.

- During my terms (below), measures that I brought to this body's attention led to increased accountability and credibility, measured on student body interest and attendance to general assemblies, as well as the decisions taken in those assemblies. Thus, the GSC transmitted the student body's interests to administrative bodies, leading to several major policy changes on campus and the University at large.
- Terms
 - **Ex officio board member**, September 2010-July 2012,
 - **Alternate Representative to Administrative Board**, January 2010-September 2010,
 - **Social Sciences College Representative**, September 2009-September 2010,
 - **Political Science Department Representative**, September 2008-September 2009.

Centro para Puerto Rico (Fundación Sila M. Calderón) **San Juan, PR**
Member of the Council on Urbanism *March 2012 – June 2012*

The foundation is a non-governmental organization in Río Piedras, which has created programs to fight poverty, inequality, and promotes urban revitalization throughout Puerto Rico. Led by former governor Sila María Calderón Serra.

- Worked in promoting urban revitalization in Puerto Rico's towns. Organized forums on urbanism and urban revitalization which were attended by administrative employees of several municipalities of the Commonwealth, impacting administrative practices and policies.

Internship Experience

Economic Development Office, Office of the Governor, La Fortaleza **San Juan, PR**
Summer Intern *June 2013 – August 2013*

Analyzed government proposals on varied economic policies, did field work on firms receiving government aid under stimulus laws, conducted analysis on legislative projects with economic impact.

Technical and Personal skills

- **Academic Skills:** Proficient in: R, \LaTeX , STATA, Statistics (Bayesian and Frequentist), Game theory, Formal modeling. Intermediate ability with: Python. Basic ability with: SQL, SAS.
- **Language Skills:** English (Fluent), Spanish (Fluent), French (Fluent), Japanese (Intermediate proficiency), German (Elementary proficiency).
- **General Business Skills:** Most MS Office products including Excel, Word. Good presentation skills, works well in a team.
